Dear Members/Donors,

Change of Supervisor of HKUGA Primary School

Time flies. Over the past six years, Dr. Brenda Lo has led the Incorporated Management Committee of HKUGA Primary School with passion and dedication as the Supervisor. She has completed her term of office in August 2025.

Since assuming the role of Supervisor on September 1, 2019, Dr. Lo has been instrumental in the school's remarkable growth and achievements. Her insightful guidance, particularly in Positive Education, the School Extension Project, and during the pandemic, has been invaluable. Under her leadership, the school has reached significant milestones. On behalf of the HKUGA Education Foundation, I would like to extend our heartfelt gratitude to Dr. Lo for her exceptional service and contributions.

With effect from 1 September 2025, Dr. Jacky Cheung will succeed Dr. Lo as the Supervisor of HKUGA Primary School. A visionary industrialist and Director of Shinhint Industries Limited, Dr. Cheung is deeply committed to nurturing the next generation. He is the initiator and advocate of the P2C Walkathon and currently serves as Convenor of the Adventure-based Life Education (ABLE) Subcommittee. Having served as an IMC Manager from 2018 to 2023 and as a member of the School Development Subcommittee since 2023, Dr. Cheung brings extensive experience and a deep understanding of the school's operations, making him well-suited for the role of Supervisor.

Please join me in thanking Dr. Lo for her outstanding leadership and in offering your full support to Dr. Cheung as he assumes his new responsibilities.

Yours sincerely,

Victor NG
Chairman, HKUGA Education Foundation
